King crab meat tends to be sweeter and more delicate in flavor compared to Dungeness crab, which has a more robust and slightly briny taste. In terms of texture, king crab meat is slightly firmer and has a more delicate flake, while Dungeness crab meat is slightly softer with a more substantial flake.

Taste is subjective, but blue crab is generally regarded as sweeter and Dungeness a little more salty. Both are favorites for eating simply seasoned and steamed, off a table covered with paper, using mallets and crackers to extract the meat before dipping it in drawn butter.
